

PUBLICA FIDES

Fundacja Zaufania Społecznego

The Social Trust Foundation - Publica Fides was established in 2013. The main goal of the Foundation is to promote social trust and raise the standards of the quality of life in the society of citizens who are active and aware of their power.

The Foundation supports social, cultural, economic and political activity that develops the involvement of individuals, organizations, and institutions in the implementation of the principles of a democratic and civil society, open to respect for diversity and multiculturalism.

The Foundation is guided by the need to build trust in the institutions of social life based on the rule of law, transparency, tolerance for diversity. He conducts education about human rights and supports the involvement of citizens in the active creation of socio-political reality.

In daily basis work Foundation implements counseling and advice, including civic advice, legal and social framework of the project their own, carried out free of charge by volunteers, lawyers, professional counselors, psychologists and sociologists as well as free advice on family law, labor law, administrative affairs, contacts with institutions, financial and professional issues.

Foundation implemented the project on intergenerational voluntary service implemented with the help of students - **volunteers in the neighborhood**, supported activities available to the elderly or in need of support. As part of the inquiry into the project financed by European Social Fund Foundation completed courses in the field of psychological support and vocational counseling for pupils and students. With international partnership we implemented with success the project **"Empowerment in the work with girls"** leading a workshop for strengthening women in Lodz. Foundation carried out a **program of social and legal counseling for people in difficult situation**. Foundation conducted the evaluation and monitoring of projects under **CSR project "MMP provider of services for the elderly"** for one of the SME in the region. We participated in a **mobility project "Morocco.Co -Train of Future"** in partnership with Sweden- Föreningen Framtidståget. Foundation has consulted the projects created in the framework of **Lodz ROP for private SME company**. The Volunteers of the Foundation took part in the workshop **"Together we are strong! "Europe meets MENA** (Middle East and North Africa) meets Europe. Foundation has organized a series of **workshops and meetings "On the sunny side of life - relationship therapy"**.

Foundation is certified **CSR AMBASSADOR** in consequence of the active participation in the FIO project **"CSR in practice"**. In partnership with Signa Ltd., (SME), foundation implement project for **professional NEETs activation**. In collaboration with youth sector we implement project **"Intercultural neighborhood - we want to have an impact"** concerning the refugees in the immediate vicinity. The aim of the project is to develop recommendations for local authorities in the implementation of refugee policy in the region based on social participation and the real needs of

both refugees and local communities. The Foundation carries out training for women in terms of empowerment.

In 2017 Publica Fides with Społeczna Akademia Nauk starts implementation of the project in the frame of **Erasmus + Key Action 2 on Integrating Mobile Learning and Upgrading Teachers' Digital Skills**

In 2018 Publica Fides with Sweden- Föreningen Framtidståget participated in the youth exchange in the frame of Erasmus+ Youth mobility **project Be Wise, Think Twice**.

The Foundation promotes, supports and creates social trust and develops the quality of life standards in the sphere of:

1. Public life activates citizens to seek agreement and cooperation in the implementation of innovative social projects using existing good practices and local potential.
2. The labor market and employment relations, including balancing work with personal life, anti-discrimination and mobbing.
